**9th Grade/New applicants:**

Define what you consider to be a "successful" Honors student. What qualities do you have that would allow you to succeed in this class? Why should you be allowed into this program and class?

**10th - 12th grade/returning applicants:**

Please describe your personal challenges and successes in Honors this school year. Have you grown as a student and in what way? (If you feel you did not grow, please explain why not.) What benefits did you take advantage of in the Honors classes this year to prepare you for college? (Students should note any LEAP, ACT, CLEP or AP tests that were taken and the scores he/she made if available. If a student did not take a test, it should be noted.) Finally, please state your future intents within the Honors classes. (What classes do you hope to take? What tests do you hope to take?)
